

'COL DE MEZ' PROSECCO SUPERIORE VALDOBBIADENE DOCG EXTRA DRY

NV | Sparkling Wine

 Italy, Veneto

Soligo

Case Size: 6

Bright straw yellow. A floral bouquet with hints of linden followed by traces of pineapple, lime and golden delicious apple, closing with a slight mineral note. Lively, creamy consistency on the palate. Citrusy freshness and sapidity are well-balanced by this wine's smoothness and sugary aftertaste.

Vinification:

Bunches are harvested manually and once they reach the wine-cellar gently pressed. Then, a slow fermentation takes place in steel tanks with indigenous yeasts. After racking the wine, the sparkling wine production process begins in autoclave. This is known as the 'Charmat' method.

Grape Varieties: Glera

Classification: DOCG | **ABV:** 11% | **Closure:** Mushroom Cork
