

PROSECCO DOC TREVISO EXTRA DRY

NV | Sparkling Wine

 Italy, Veneto

Soligo

8008170000341

Case Size: 6

Straw yellow in colour, with green tinges. Notes of yellow pear and golden delicious apple and hints of lavender and ferns. Fresh, smooth, well-balanced; the flavour is made all the more persistent by this wine's sapidity, which characterises the finish.

Vinification:

Prosecco base wine is obtained by fermenting the best Prosecco grapes from old vineyards within the Soligo co-operative. The grapes are hand harvested in September at medium ripeness to preserve the acid component. After soft pressing, and careful fermentation, the wine is refined and a second fermentation in autoclaves begins to add the sparkle. This is known as the 'Charmat' method.

Grape Varieties: Glera

Classification: DOC | **ABV:** 11% | **Closure:** Mushroom Cork
