Case Size: 6

Straw yellow in colour, with green tinges. Fruity and floral with hints of apple. Aromas of dried fruits such as almonds and hazelnuts, pan biscotto and flowers ranging from acacia to lily. A good balance between acidity and sugar make this sparkling wine very delicate and intense. Aromatic, fruity and bubbly. Perfect for parties.

Vinification:

The grapes are harvested from hillside vineyards in the Veneto region. Soft pressing on arrival at the winery and a slow fermentation at controlled temperatures in stainless steel takes place. The wine is then filtered and the secondary fermentation process starts using the 'chairman' method in pressurised stainless steel tanks (autoclaves). In order to achieve the right balance of flavour, aromas, elegance, consistency and fine perlage, the wine is kept in tank from 20 days to 3 months.
